JavaScript – Strings

Practice Problems

Q. Answer the following questions. Also, explain why do you think that your answer is correct.

1. console.log('JavaScript is Cool")

2. console.log('I'm gonna learn JavaScript')

3. console.log("This is a \"test\" string")

4. console.log('This is another /'test/' string')

5. console.log("How about this string??")
